*Qasim
Hussain*

Frontend Developer

ABOUT ME

I'm a dedicated Frontend Developer with a passion for creating clean, responsive, and engaging web applications. My professional toolkit extends beyond code, featuring a typing speed of over 60 WPM with 100% accuracy. This, combined with my experience in sales and strong listening skills, makes me a highly versatile professional who can contribute effectively to any team, whether as a developer, assistant, or transcriber.

WORK EXPERIENCE

FRONTEND DEVELOPER

FRONTEND DEVELOPER

- Developed responsive user interfaces for small projects using HTML, CSS, and JavaScript, gaining hands-on experience with

Typist / Transcriber

Typist / Transcriber

- Demonstrated a typing speed of over 60 WPM with 100% accuracy through tasks like audio transcription and efficient data entry.

Salesman

Salesman

- Engaged directly with customers to present products and meet sales targets, which enhanced my communication and client relations skills.
